

Summary information

School	Bradfield School				
Academic Year	2021-22	Total Catch-Up Premium carried forward	£ 67344 (Carry forward)	Number of pupils	1,086

Department for Education Guidance

Children and young people across the country have experienced unprecedented disruption to their education as a result of coronavirus (COVID-19). Those from the most vulnerable and disadvantaged backgrounds will be among those hardest hit. The aggregate impact of lost time in education will be substantial, and the scale of our response must match the scale of the challenge.

Schools' allocations will be calculated on a per pupil basis, providing each mainstream school with a total of £80 for each pupil in years reception through to 11.

As the catch-up premium has been designed to mitigate the effects of the unique disruption caused by coronavirus (COVID-19), the grant will only be available for the 2020 to 2021 academic year. It will not be added to schools' baselines in calculating future years' funding allocations.

Use of Funds

EEF Recommendations

<p>Schools should use this funding for specific activities to support their pupils to catch up for lost teaching over the previous months, in line with the guidance on curriculum expectations for the next academic year.</p> <p>Schools have the flexibility to spend their funding in the best way for their cohort and circumstances.</p> <p>To support schools to make the best use of this funding, the Education Endowment Foundation (EEF) has published a coronavirus (COVID-19) support guide for schools with evidence-based approaches to catch up for all students. Schools should use this document to help them direct their additional funding in the most effective way.</p>	<p>The EEF advises the following:</p> <p>Teaching and whole school strategies</p> <ul style="list-style-type: none"> ➤ Supporting great teaching ➤ Pupil assessment and feedback ➤ Transition support <p>Targeted approaches</p> <ul style="list-style-type: none"> ➤ One to one and small group tuition ➤ Intervention programmes ➤ Extended school time <p>Wider strategies</p> <ul style="list-style-type: none"> ➤ Supporting parent and carers ➤ Access to technology ➤ Summer support
--	--

Planned expenditure - The headings below are grouped into the categories outlined in the Education Endowment Foundation's coronavirus support guide for schools)

Desired outcome	Chosen approach and anticipated cost	Desired Impact	Staff lead	Review date?
To support students who have found the transition back to school difficult	Appointment of a behaviour Manager £25,326	Targeted students are engaging fully in school life. Behaviour logs reveal reduction in behaviour incidents across the school.	AMA	Ongoing
To mitigate the impact of lockdown in supporting reading and reading interventions	Appointment of Teach First UQT £27051 to support the English department to improve uptake of reading across school £27051	Increase reading ages recorded	DB	Ongoing
To support students with mentoring	Member of staff working from home due to pregnancy providing online and mentoring support to student in Science £11,133	To improve outcomes for the targeted pupils in Science	AMA	Summer

Easter Camp	Provision of an Easter Camp to provide additional support in core subjects and build cultural capital through activities provided by outside providers (eg Sheffield Museums, music lessons, drama))£3834 (remainder to be funded from recovery premium funding)	Targeted students showing improved attainment over time. Positive academic outcomes for KS4 students in Maths and English	AMA	April 2021
		Total budgeted cost	£67344
