

Bradfield Careers - Helpful careers research sites:

- www.careersquiz.complete-careers.com Great personality quiz to help you identify strengths, areas for growth and possible jobs/careers that could suit you.
- www.icould.com Lots of real-life career videos. You can also search for 'Careers Box' videos on YouTube.
- www.successatschool.org Simple careers research site. Careers Zones are easy to use.
- www.careersmart.org.uk Lots of helpful info including A-Z occupations and industries directory. You can also try the 'Career Smart Skills Audit' test.
- www.startprofile.com Create a login to get best access and save work. Very good careers research site with lots of interactive areas.
- www.careerpilot.org.uk Easy to use careers research site suitable for all ages. Create an account to access quizzes and other tools.
- www.myworldofwork.co.uk/pupils Great site packed with tools and quizzes as well as job profiles.
- www.Prospects.ac.uk Register to take the career quiz. Lots of helpful information.
- www.bbc.co.uk/bitesize/articles/zdgnxyc A-Z Careers Directory – Packed with information, videos and case studies.
- www.ucas.com/explore/career-list Browse career information and take the quiz.
- <https://nationalcareers.service.gov.uk/> Main careers site for England. Very good 'job profiles' and lots of interactive quizzes as well as information about anything careers related. Very informative.

Other sites you may find useful:

- www.ucas.com – The 'go to' site for everything HE (Higher Education/Post 18) related.
- www.apprenticeships.gov.uk - Everything you need to know about Apprenticeships.
- www.sheffieldprogress.co.uk – The main portal for year 11's to research and make local post 16 applications. Can also be used by all other year groups to research post 16 options.
- www.southyorkshire-ca.gov.uk/explore_LMI_jobs – Useful information relating to employment and labour market information in the South Yorkshire area.
- www.southyorkshire.startprofile.com/page/industries-national Explore industry information, employers and opportunities in the South Yorkshire area.

Finally....remember to check your school website/SharePoint and related social media pages regularly for the latest career's updates and information in your school.
