

Year 11 revision sessions

Our revision sessions will be up and running from Tuesday 23rd March next week. The schedule is below.

The sessions for core subjects of English, Maths and Science are all being held remotely over Teams and invites will be sent out by the teachers running them. These sessions run from 4pm - 4.45pm to give students time to get home if wished.

If students wish to stay to do an option revision session, they could then move to N1/1 (and N1/3 if we need more space) at 4pm to allow them to do two. Or they could just do option subject sessions, accessing any recorded English, Maths and Science sessions in their own time.

As before, we will send out a MS Form direct to students' email to allow students to book in for the sessions in school, including if they are wanting to stay in school after an option subject to do a core subject session on Teams. This is so staff can have a seating plan ready to enable us to do track and trace if needed.

There is no option to stay in school unsupervised between 3.15 - 4pm whilst waiting for a core subject session.

Day	Subject	Room	Time
Tuesday	Maths	Via Teams at home or in N1/1	4 - 4.45pm
	Drama	NB1	3.15 – 4pm
	Voc PE	N1/1	3.15 – 4pm
