

Afterschool Extra Curricular / Revision Sessions

Most activities taking place after school usually run between 3.05pm and 4.00pm, however, there are some that do finish later. Students should see the member of staff involved if they are unsure about the finish time. Sports fixtures are usually a later finish, if your child is involved in these you should already have details as the students involved are sent details on Show My Homework by the PE Department staff or through the termly after-school sports bulletin.

ART + DESIGN

ENRICHMENT / CATCH UP	LOCATION	DAY(s)	TIME	STAFF
